1. List items of work the Bidder made available to DBE firms. Identify items of work the Bidder might otherwise perform with its own forces, items that have been broken down into economically feasible units to facilitate DBE participation, and items for which the Bidder has established flexible time frames for performance and delivery schedules in a manner that encourages and facilitates DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

[illegible]

2. List the names of certified DBEs and all the dates on which they were solicited to bid on this project. Include the items of work offered and the dates and methods used for following up initial and follow-up solicitations to determine with certainty whether the DBEs were interested. Attach copies of solicitations, e-mail messages, telephone records, fax confirmations, etc.

Re: CalTrans 03-4F8404 – Bid Clerical Error

Dear Ms. Smith,

In accordance with Public Contract Code 4107.5, Q&D Construction LLC asserts a claim of an inadvertent clerical error of the listed scope of work for A&M Consulting Engineers in Q&D's electronic subcontractor list form included with Q&D's bid submitted on November 7th, 2018 for contract no. 03-4F8404.

Upon further review of the bid documents submitted, it was discovered that the Lead Compliance Plan was listed twice under two separate DBE sub-contractors. Q&D Construction will utilize Nevada Barricade to complete 100% of item # 1 Lead Compliance Plan, and will eliminate this scope of work from the subcontract with A&M

Should you have any questions or concerns, please do not hesitate to call.

Respectfully,

Q&D CONSTRUCTION
